Dear Mr. Patterson:

This letter is to notify you that we have approved the Disadvantaged Business Enterprise (DBE) goal methodology for **Bakersfield Municipal Airport** for fiscal years (FY) 2011-13. Based on our review, we have determined the goal methodology meets the standards in the Department of Transportation Regulations 49 CFR Part 26.

FY 11-13 Overall goal: **9.54% DBE Participation**  
(To be achieved entirely through race neutral means)

The above is covering the period of October 1, 2010 through September 30, 2013.

Since a triennial review of your overall goal is required, please submit an updated goal methodology for FY14, 15 and 16 on or before August 1, 2013.

Please be reminded that it is required that you report all DBE activity by **October 1<sup>st</sup> of each year** via the electronic DBE Office Online Reporting System (**DOORS**). The system is available at <https://www.faa.gov/secure/doors/>. If you have not registered for **DOORS**, please do so immediately.

If you have any questions or need assistance, please call Patricia A. White of my staff at (310) 725-3942, or via email at [patricia.a.white@faa.gov](mailto:patricia.a.white@faa.gov).

Sincerely,

*for Patricia A. White*
